8	CmFAS Assistant ? ×
¢	Welcome to the CmFAS Assistant! The CodeMeter Field Activation Service (CmFAS) assistant helps you adding, changing and deleting licenses from the license management system CodeMeter. With the CmFAS assistant you can create license request files, which you can send to the producer of the software by email. You can also import the received license update files with the CmFAS assistant into the license management and create a receipt of the import for the producer.
	< Back Next > Help

Select Create license request

Click on Next

9	CmFAS Assistant ? X
ج	Please select the desired action
<i>.</i>	 Create license request. Choose this option if you want to create a license request file in order to send it to the producer of the software. Import license update Choose this option, if you received a license update file from the software producer and want to import this file. Create receipt Choose this option if you want to confirm the successful import of a license update file for the software producer.
	< Back Next > Help

Select Extend existing license

Click on Next

Select infomind gmbh (101847)

Click on Next

S	CmFAS Assistant ? X
¢	Please choose the producer □ Firm Security Box Item (99) ✓ infomind gmbh (101847) □ WIBU-SYSTEMS AG (100021)
	Select the software producer to which you want to send the license request file. The producer will only see the data which you select here. So you can ensure that the producer doesn't see which other licenses from other suppliers you have.

Remember the **path**, where your context file ***.WibuCmRaC** will be saved

Click on Commit

0	CmFAS Assistant ? X
e	Please select the file name C:\data\projects\fixo\sales\wibu\WibuCmRaC\2-2251106.WibuCmRaC
	Select a file name for storing the license request file file. Then click on 'commit' to create the file. You can then send this file to the producer by email.
	< Back Commit Help

Click on Finish

Please send us the context file. Thank you.
